# Pricing

Scheduled Available Service Charge	Fee Amount
<p><b>Personal Review/Assessment</b> Ensures that the expectations and needs of the client are identified and match the services being delivered. If the client has a change of health condition such as a hospitalization or ER visit an updated assessment and review of services would be indicated.</p>	\$65 for Admission Fee \$50 for change of condition review or as indicated
<p><b>Navigator/Care Management</b> The Navigator is responsible for identifying the appropriate placement and care for individuals experiencing a change in health condition or residential status that are part of or are seeking services within Trinity Senior Services Organizations and through home transitions. This individual, working with appropriate team members, supports the development of a discharge/ transitional plan of care when necessary while directly supporting the individual and the family through transitions of care.</p>	\$90/hour
<p><b>Companionship Services</b> Services provided by a Care Partner are one-on-one companionship type activities. These may include but not be limited to reading, talking, helping to schedule appointments, going for walks, playing puzzles or games (mental stimulation), opening mail, meal preparation or accompaniment to appointments/outings.</p>	<p>\$39/hour- minimum of one hour increment for current TSS resident. \$35/hour when 2 or more consecutive hours are reserved per day. \$33/hour when 4 or more consecutive hours are reserved per day. Holidays are charged at double time(2x).</p>
<p><b>Total Fees for month, billed in advance.</b></p>	Number of hours multiplied by rate
<p><b>Taxi Miles</b></p>	\$1.00/mile
