## ARCHBISHOP GROB VISITS CLEMENT MANOR

Clement Manor was truly honored to have Archbishop Jeffrey Grob preside at

Mass in our chapel this month. After Mass, residents and staff members enjoyed a wonderful reception and meet and greet with him.

We look forward to his next visit to Clement Manor and thank him for his prayers and blessings over us!

## WE CELEBRATED NATIONAL ASSISTED LIVING WEEK

September was a month to observe National Assisted Living Week, an opportunity for residents, family members, staff, volunteers, and the surrounding communities to recognize the vital role of Assisted Living staff in

senior communities! The annual observance inspires assisted living communities to offer a variety of fun events and activities to honor the incredible individuals they serve.

At Clement Manor, we are so grateful for our amazing team who cares for our residents year-round, providing them an enriched life full of diverse activities for everyone to enjoy and thrive! **Thank you to our activities team and other staff who inspire our residents every day to love where they live!**

**GO PACK GO**

The Green Bay Packers' season is off to a great start, and everyone is pumped to support our team! This month, the residents of our East Building came together for a fun-packed Packers-themed party. With delicious snacks and exciting activities, it was a wonderful way to celebrate our love for the team! **Go Packers!**

Now showing at the Clement Manor Art Gallery - **John Suess paintings and artwork.**

John Suess was born and raised in Milwaukee and has always had a passion for art. John has been drawing and painting since the age of 3 and took two years of commercial art in college, but did not have much time to dedicate to this love as he was busy with work and family.

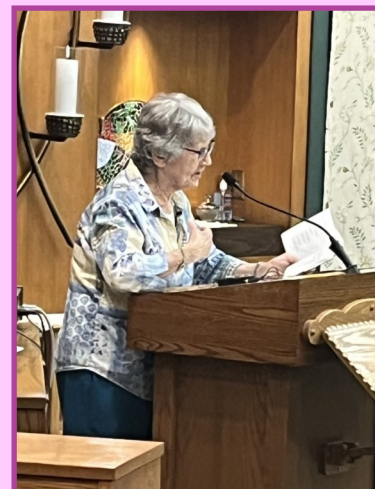

**Come check out the gallery any time!**

## SEASONS OF CREATION

*a poetry reading*

Sister Irene shared her personal poems and reflections with residents. Many relate to creation, and all are based on scripture. As we celebrate the **Season of Creation**, we thank Sister Irene for sharing her gifts.

## CLEMENT MANOR RECOGNITION!

Clement Manor is excited to share we received a **GOLD SEAL Accreditation from The Joint Commission** in a recent survey in our Assisted Living and Clare Suites Memory Care and Enhanced Assisted Living communities.

Joint Commission accreditation is a prestigious recognition of healthcare organizations that meet high standards for patient safety and quality. It is a valuable tool for improving healthcare and demonstrating a commitment to excellence. This accreditation is especially important for Clement Manor, as we are one of the only senior living communities in Wisconsin to receive this recognition.

Clement Manor has been named one of the **Top Ten Nursing Homes in the state of Wisconsin, and within the top**

**1,200 in the country, according to Newsweek and Statista's America's Best Nursing Homes 2026 survey.**

This recognition title reinforces our reputation as a care facility that provides care and excellent services.

When Clement Manor receives accolades such as this, our excellent staff does not go unnoticed, and we always attribute recognition to everyone person who works here.

The East Building residents had a great day glamouring up for a Hollywood photo shoot. From working the red carpet, to choosing their own props, to listening to popular Hollywood tunes, they had a great time being a movie star for the day!

Clement Manor is a proud host of an Alzheimer's Association Caregiver Group. Please join us for **FREE** support group meetings at Clement Manor, facilitated by trained individuals from the Alzheimer's Association of SE Wisconsin.

Meetings are held every 3rd Monday of each month starting at 2pm. For more information call Jeanne at 414-546-7319.
